

Continued from page 3. "This is a little taste of history," Force said. "This was special, like beating the dragsters at Bristol (2000 Winston Showdown). Thanks to (zMAX Dragway owners) Bruton and Marcus Smith. They took the money and spent it to make this happen. The hardest part was racing Ron Capps. He is always tough and (Matt) Hagan, now that he has (co-crew chief) John Medlen there, will put the fear into you. My own daughter also leaves nothing on the table. I'm proud of Ashley. She's learned the game. This track is so good that we took wing off of it. I don't usually run big speed, but it did this weekend." The NHRA Full Throttle Drag Racing Series continues April 9-11 with the O'Reilly NHRA Spring Nationals at Houston Raceway Park, Baytown, Texas. Photos by MSA Staff.
