

## Senoia's First Practice on Dirt

It was a beautiful day south of Atlanta for the Senoia Raceway Practice Day on Saturday, March 20th. It was free admission for spectators and they filled up the stands to get a first-hand look at how cars handled on the 3/8 mile oval - on DIRT. The infield was packed with race teams and haulers. There was another practice day on March 27th. On April 3rd was the Season Opener for the track. For more info and schedule, visit [www.newsenoioraceway.com](http://www.newsenoioraceway.com)
