

CHRISTMAS EVE RIDE

I got to the gates at 5:30 am and there was already a line of people and trucks waiting to get in.

These people didn't care how cold it was sitting there wrapped up in blankets and standing by burning barrels. They were there for a DIRTY GOOD TIME.

The turn out was great I heard around 2,200 people showed up. Whitten Mangement won the jump contest. Buster Smith flipped his PRO MUD truck and he climbed out of the truck to say to everyone "that's how us Georgia boys roll," lucky to say, he was not hurt.

Matt Smith broke parts on the DIRT PRO truck. Danny Mundy was proud of his recent built truck and what a jump he did with it! There were trucks from Pro Designs, Mild To Wild, Mayfield Body Shop, not to mention all the other trucks.

Monster Drinks sponsored the event with free beverages.

These southern boys know how to have fun and get dirty. Check us out at (www.motorsportamerica.com) for more photos of this event..

NEW YEAR'S DAY RIDE

Here we are again at 5:00am sitting inline to get into the mudd bog. The rain is supposed to be coming in soon but it didn't slow these people down they are still pouring in here to have a good time.

The turn out today was around 2800 people. The rain came but it didn't want to leave. This place was a real MUDD hole, I have never seen so much mud in my life. These boys wanted mud well they got it even the big boys were getting stuck and having to be pulled out.

Buster Smith returns in his wrecked PRO MUD truck and flips it AGAIN but came back strong and won the BOUNTY HOLE. With his son Matt taking the 2nd spot.

Monster Drinks, Summit Racing and 4 Wheel Parts sponsored today's event. Check out some of the Mudd Shots : www.motorsportamerica.com
