

The entire racing season at Road Atlanta encompasses a lot of applications for a road course. Two-wheeled competition comes in the form of the professional AMA Suzuki Superbike Showdown, and the skilled amateur racers of the WERA Motorcycle Roadracing sanctioning body. Plus the fans and their favorite turns are stuff legends are made of (Hello "Turn 9"!)

The four-wheel variety of racing has SCCA, NASA, Drift Atlanta, WKA karting, the Historic Sports car Racing & Mitty Speedfest, Sports car Vintage Racing and much more. Here is our take on these events last year. For more photos and an updated Road Atlanta 2010 schedule, visit www.FreeMSA.com Photos by MSA Staff
