

Based in O'Fallon, Missouri, the American Drag Racing League is the nation's premier sanctioning body for the sport of eighth-mile drag racing.

The ADRL plays host to the country's top professional drag racers as they compete for one of auto racing's most prized rewards – the Minuteman – which is handed out to each event's class winner. ADRL's all-professional show consists of Extreme Pro Stock, Pro Extreme Motorcycle, Flowmaster Extreme 10.5, Pro Nitrous and Pro Extreme, the quickest full-bodied class in all of drag racing.

Mark your calendars for April 9-10 when the series visits South Georgia Motorsports Park in Cecil, GA. Visit www.adrl.us for more info on the organization and news. For additional photo coverage by MSA, visit us at www.FreeMSA.com Photos by MSA Staff
