

## 8th annual Holley NHRA National Hot Rod Reunion Turns up the Heat

June 18-20, 2010: This past Father's Day weekend, thousands of immaculate hot rods and passionate nostalgic drag racing fans assembled in the beautiful southern town of Bowling Green, Ky for the 8th annual Holley NHRA National Hot Rod Reunion. The town was jammed with Reunion-goers as early as Tuesday to take in the many activities surrounding the three day event.

Friday at Beech Bend was monstrous and soaring with Reunion enthusiasm. There were drag race legends like Grand Marshal Chris "the Greek" Karamesines posing for photos with fans. There was Mopar HEMI Challenge Race Series and plenty of nostalgic drag racing. And, there were hot rods galore in Beech Bend Park. It was not too long ago that this very same Park was submerged due to severe rains. But thanks to Beech Bend staff and Mother Nature, the Park was dry and ready for the Reunion as if no floods ever hit. The hot and humid weather at Beech Bend Park was a blessing for a town that had suffered brutal storms just a few months ago.

Over 300 racers, more than 20,000 spectators, and 1250 show cars made it to the nostalgic hot rod jamboree. Photos by Mark Hinkle for MSA. See more photos at [www.motorsportamerica.com](http://www.motorsportamerica.com).
