

Off the leash and packing horsepower

For the lucky drag race fans in the Atlanta area attending the event at Atlanta Dragway June 11-13 was the filming for a TV series called *NHRA Unleashed* and an opportunity to see it in person as film crews shot footage of the day's racing. For the first time in television history, *NHRA Unleashed* will bring to the screen an in-depth look at the outlaw racing classes' true adrenaline addicts as they pack 2,000 horsepower in a standard production chassis. Each program will take the audience deep into the personal backgrounds of some of NHRA's most passionate drivers, as hundreds of weekend warriors journey to NHRA Unleashed to win a coveted Wally trophy.
