

**AmVets Post 118, Lithia Springs – Wednesday - May 12, 2010**

The AmVets Post 118 has joined the list as a place to hang out with your friends on Bike Night. Unlike the other bike nights in the area, this one is a little more laid back and easier on your wallet than the others. Although AmVets is a private club, on Wednesday nights, it's open to the public for bikers to show off their rides and rub elbows with the members and retired Armed Forces personnel. AmVets offers \$1 Draft. The Ladies Auxillary offers a delicious meal each week ranging from hot dogs, BBQ or build your own nacho plate for a few bucks - which goes to fund various community and veteran programs throughout the year. There is music, friends, games and more every Bike Night at AmVets Post 118. The Post is located on Bankhead Highway in Lithia Springs. For more information, call 770-745-4217.

**5th Annual Blake Gammill Memorial Bike Ride**

In February 2005, Blake was on duty and serving an arrest warrant in Douglasville when he was mortally wounded. He had served with the Douglas County Sheriffs for eight years and survived by his fiancé and two children. Ride started at Harley-Davidson of Atlanta and ended at American Legion Post #145. The ride was sponsored by Harley-Davidson of Atlanta, West Georgia Riders and American Legion Post Riders #145. Photos by Marci Watson
