Asphalt: Linder Wins USCS Race at Lavonia Speedway on Four Goodyears

by Lee Elder,

LAVONIA, Ga. -- Matt Linder collected his first United Sprint Car Series presented by Goodyear victory of 2010 when he led every lap of the feature event at Lavonia Speedway.

Goodyear is the official tire provider for the USCS but the tiremaker and sanctioning body teamed up to allow competitors part of the season to use up their tire inventory before making the switch to Goodyear mandatory. The change does not come into effect until the first of July, but Linder won at

Lavonia on four Goodyear Eagles.

Linder led all 30 laps of the main event. Terry Gray finished second, followed by Anthony Nicholson, Morgan Turpen, who recovered from a spin on lap 17 and Brian Thomas.

C.J. Miller won the Goodyear Speed Dash and, after she overcame her mid-race spin, Turpen was named the Goodyear Young Gun of the Race.
