Sean Rayhall

Racing History: Sean ran formula cars from the age of 12. He has broken many records across the U.S. in Formula cars and G.T. cars. As an Open-Wheeled specialist, Sean moved to Legends racing series and . Young Rayhall comments " I love the Legend racing. It is very competitive and is a good starting point to my dream, NASCAR.

Sean recently returned from the Winter Nationals where he again made an immediate impact, scoring 1 win and 4 second place finishes. He finished with the most points, overall, throughtout the week in the Young Lions Division. His lap times would have placed him in the top three in the Pro Division.

Sean is currently scheduled for the remainder of the races in the Winter Flurry Series. He is preparing for the Legends Million Dollar Race at Charlotte Motor Speedway in July by participating in Thursday Thunder at Allanta Motor Speedway and the Tuesday Summer Shootout Series at Charlotte. Sean's win/loss record is currently: 5 wins, 4 seconds and 1 forth.
