

Round 2 of the 2010 AMA Drag Racing Championship

The 19th Annual MTC Elmer Trett Nationals is one of the most anticipated events of the season. With the great local fan base of the Atlanta area and super fast track of Atlanta Dragway, the April 10-11 event is set to be a great one.

As the drag racing arm of the American Motorcyclist Association,

2010, eight-race tour will bring thousands of bikes in 12 different classes down the finest race tracks in the world all to compete for purses in excess of \$450,000 with contingency postings of over \$1.5M

AMA Dragbike's feature class is the 240 mile per hour blown nitro burning Top Fuel bikes running the quarter mile in 5.7 seconds. This event also showcases the nitrous breathing 200mph Pro Mod's and a million dollar field of Pro Street motorcycles. Fans will see 500 of the finest motorcycle racers and machines in the world.

The action packed weekend opens to the public on Saturday, April 10th at 9:00am with Pro qualifying action at 2:00pm, 34:00pm and

6:00pm. Racing action continues on Sunday morning at noon with opening ceremonies and first round Top

Fuel action.

"As a charter contingency sponsor for AMA Dragbike, we welcome MTC in their nineteenth year of support towards our series and their growing commitment to support drag racing through event sponsorship," said Scott Valetti President of AMA Dragbike. Elmer Trett was the grandfather to Top Fuel motorcycles who lost his life ten years ago during an NHRA event in Indianapolis in 1996.

Atlanta Dragway is an NHRA motorsports facility located 60 miles north of downtown Atlanta off I-85 in Commerce, GA. For more information about MTC, visit them at <http://www.mtceng.com/> or for event information www.amadragbike.com.

AMA Dragbike is based in Cincinnati, Ohio and is the Drag Racing division of the AMA (American

Motorcyclist Association). AMA Dragbike has evolved over the past 18 years to become the largest motorcycle drag racing sanction in the world. The organization holds records and hosts riders for the fastest (245.36 mph) and quickest (5.799sec) motorcycles on asphalt. The 2010, eight-race tour will bring thousands of bikes in 12 different classes down the finest race tracks in the world all to compete for purses in excess of \$450,000 with contingency postings of over \$1.5M.
