

**Stix Bar and Grill - Villa Rica, GA
Bike Night**

Motorsport America was out at Stix Bar and Grill in Villa Rica, GA on Thursday night for the weekly Bike Night. This place is one of the best venues we've visited and by far the nicest place in Villa Rica to grab a cold beer and play pool.

Women's Professional Billiards Association Touring Pro's Monica Webb and Helena Thornfeldt are the owners and welcome all bikers to join them every week for live entertainment, beer and drink specials.

There is plenty of parking for a huge number of bikes, and a great outdoor deck to sit back and enjoy the evening breeze with your friends.

Inside, Stix Bar and Grill houses 10 Diamond

Tables, 11 Flat Screen TV's, a full kitchen with a menu that will please everyones taste and a full bar.

Stix also offers specials on any given night: Happy Hour, Ladies Night, Trivia, 35 cent Wings, Karaoke, College Night, Live Music, and of course, on Thursdays - Bike Night.

During the week, you can get a free hour of pool with your lunch purchase. Motorsport America recommends their Garlic-Parmesan wings served up crispy and hot along with your favorite beer.

Stix Bar and Grill is located at 451 West Bankhead Hwy. at the intersection of Hwy 61 and Bankhead.

Give them a call at 770-456-1616 to find out more about their weekly specials and go play some world-class pool!

**Hooters Bike Night:
Douglasville, GA**

It was a reunion of sorts for the biker community in Douglasville. Familiar faces everywhere! Since a local watering hole had closed down and taken away the favorite hang out on Thursday nights, Hooters is destined to become the new one. Handsome Roy Glenn of the Glory Hounds Band was solo and singing for the crowd that night. Lots of giveaways, contests, good food and good friends.

Here a couple of photos of the evening by Fred Hanyon, MSA. Go to FreeMSA.com for more photos.

**Angel City
Bike Rally
Unadilla, GA**

April 14-18

Wild weekend for sure! Great bands provided music entertainment, plenty of games and activities kept the crowd moving. There were so many bikes it

was our guess that there had to be a record broken in the Guinness Book of World Records! Don't despair if you missed this south GA rally, Angel City will be back in the fall. Get all the info you need at www.angelcityrally.com. See all the MSA photos at www.motorsportamerica.com
