

Davenport Double Dips and Dominates Toccoa Fields

by: Brad Byrd - Southern All Stars Dirt racing Series - 04/12/10

Domination. Nothing short of that would even begin to describe Jonathan Davenport's performance at Toccoa Speedway on Saturday. Davenport decimated the field in his crate engine powered machine and politely did the same in the Southern All Stars Dirt Racing Series sanctioned Toccoa 50. Davenport led every lap of both late model events to capture a cool \$6000. In taking the Southern All Stars victory Davenport

became the first repeat winner of the season and collected his fourth career Southern All Stars win. The win also propelled Davenport to a more than 100 point advantage in the SAS point standings. "It's ridiculous how fast these Barry Wright Race Cars are right now. Both cars were just phenomenal all night long." Davenport said from VP Race Fuels Victory Lane.

Twenty-two drivers signed in for the evening's event and all posted laps in time trials. But it was Davenport who collected his second VP Race Fuels Pole Qualifying Award of the season with his lap of 12.357 seconds around the 5/16ths of a mile oval. Brent Dixon, last weekend's SAS winner Casey Roberts, SAS Rookie of the Year contender Scott Creel and Royce Bray rounded out the top five qualifiers. Also locked in to the feature were Hall of Famer Freddy Smith, Ethan Hunter, Danny Ledford, Jeremy Ledford and Lee Sutton. The remainder of the field was set by a pair of eight lap last chance B-Main races. Tony Knowles took the win in the Hoosier Race Tires B-Main while Bruce Taylor took the checkers in the Arizona Sport Shirts B-Main.
