

RIDE FOR THE TROOPS - Saturday, October 9, 2010 at Harley-Davidson, Conyers, GA

It was a beautiful day in Conyers for the Ride for the Troops event at Stone Mountain Harley-Davidson. Organized by Operation Sandbox GA, the event drew the biker community together for a wonderful ride to support our troops. To find out more about Operation Sandbox and how you can get involved, visit their website at www.operationsandboxga.com. Photos by Fred Hanyon, MSA. Bonz Sports Grill: Poker Run for Shriner's Hospital - October 16, 2010

It was a chilly start for the good hearted bikers who attended the Bonz Poker Run. A complimentary breakfast was served to all the participants. After a brief meeting for safety measures and last minute instructions, the bikers were off to their first stop.

Later that day after the Poker Run was completed, many bikers returned for the 5pm auction of hundreds of items. Bonz Sports Grill should be very proud of their efforts - they raised \$12,000 in one day to benefit the Shriners Hospital for Children and we are very lucky to have such a compassionate and caring business in the area that supports organizations such as the Shriners.

Bonz Sports Grill is located at 2123 Fairburn Road in Douglasville, GA.
