

Labor Day Party In Warm Springs Ga.

Story & Photos by Robin Dempsey, MSA

XTREME RIDERS had a great Labor day party and sale, they have a lot of leathers, so if leathers is what your looking for, you need to check them out.

The band Grey Conspiracy took stage from 12 noon till 4PM and these boys know how to jam. It looked like this was a reunion for old time friends or to make new friends to meet up and talk. All these bikers were really friendly and was having a great time and checking out each others bikes.

We walked around town checking out all the little shops, had lunch in one of the friendly resturants. I think my favorite was walking the courtyards looking at all the murals painted along the way.

There is this "must see" event called the Art in Motion and Foto Excursion Museum. It has painted murals that will take you to the Grand Canyon to Sturgis SD to Route 66. It has over 60 bikes to check out. It is the largest motorcycle museum in the state of GA. I saw nice bikes and some pretty crazy looking bikes.

We spent the day there and then enjoyed the ride back home. What a great Labor Day!

Reid's Deli Bike Show - Sunday, September 12, 2010

Reid's Deli hosted a bike show at their Mabelton, GA location on Sunday, September 12th. The event was a real success, judging the number of bikes and riders that showed up to participate. The band, Bubba Dew and the Boneslingers provided the live musical entertainment with JB Walker dropping by to sing a few tunes with them. The event was sponsored by: ABATE, SouthWind Race Team and Eddie Lee's World Famous BBQ.
