

Smoking Labor Day Moments at Atlanta Motor Speedway

What a weekend! Motorsport America camped out the whole weekend and visited friends and made new friends while taking in the action. 1) Our Editor picked the winner of the Sprint Race - Old Smoke himself, Tony Stewart; 2) One of the many dedicated workers at AMS; 3) New friends of Motorsport America; 4) Patrice Jackson of BeauBock.com with hometown favorite, UPS' David Ragan; 5) Our "pole-dancing" neighbors at the campsite - loud music at 3 AM: not cool - the girls: cool; 6) The GoodYear blimp gets ready for the next day; 7) What are the boys looking at?; 8) It's Tyska getting a tow for the Motorsport America RV - Hey, If its got horsepower, we'll be there!
