

National Vintage Racing Association

NVRA held their August 1st event at Senoia Raceway. Many of the vintage racecars are restored originals that were raced on tracks in the southeast in the '50s, '60s and '70s, while others are replicas of racecars from that era. Five divisions of vintage stockcars compete in the Vintage Thunder racing series. Flathead and 6-cylinder powered cars from 1930 to 1957 comprise the Limited Sportsman division; the Modified Sportsman division is made up of year model cars from 1930 to 1954 and run OHV V-8 engines; the Late Model division is divided into two classes, Sportsman & Modified, both classes are made up of car models from 1949 to 1968.
