

## Destination Helen

The quaint little town of Helen, GA was overflowing with bikers from every direction the weekend of August 19-22, 2010. The four-day motorcycle rally was the 1st of what is to become an annual event in the North Georgia mountains every summer.

Chattahoochee Biker Gear hosted a kick-off party on Thursday night in the courtyard in downtown Helen. Even though the rain tried to put a damper on the event, everyone still had a great time and many were already planning to return next year!

There were escorted mountain rides, a motorcycle show, tattoo contest, poker runs and games, music, good food with plenty of good times.

Pat and Karen of Chattahoochee Biker Gear would like to convey their thanks for making the first event a success and hope to welcome everyone back next year and to tell your friends to come along too!
