

Dillon Masters GMP for his First Career NASCAR K&N Pro Series East Victory

08-28-10: In a Chevy sponsored by Waffle House and Mom 'N' Pops, Ty Dillon, the 18-year-old grandson of Richard Childress, took the famed #3 to the checkered at GMP capturing the his first NASCAR K&N Pro Series East win! For old #3 fans like me, it was a fantastic night!

Personally speaking, Ty's win was more impressive and much more realistic than "Little E's" win earlier this year at Daytona. In this race, we are certain that "the deck wasn't stacked" in the #3's favor. No one was trying to give Dillon his win! We are confident that he earned it outright!

After running up front all night, Dillon grabbed the lead late in the American Fence Association 150 presented by Mayfield Ice Creamier event as the top two cars tangled in turns one and two. He went on to survive a couple of late race restarts to secure the victory.

Ty in victory lane, "It's been a struggle all season. We started to get things turned around at Iowa and to come back and win is one of the greatest days of my life."

Friends, this was a great race for the first ninety laps! From there on, it was rather a painful affair ... suffering through four red flag episodes ... the first, caused by Julian Albarracin backing his car into water-filled barriers and soaking turn two. It took track officials approximately 50-minutes to dry the turn. However, seeing Dillon and the RCR #3 with the trophy at the end of the night made the wait worthwhile for most of the fans in attendance!

Earlier in the evening, we watched our lady Brittany Finley stretch her points lead in the Truck Series. She had a slow start, dropping a few positions early ... nevertheless the "Alabama Belle" drove back to second by the time the checkered flag flew!

Hey Ty ... keep that #3 diggin'!
