

Mike Head Celebrates Win at Senoia's Season Opener

Mike Head scored a very popular win as he captured the checkered for the season opener at the New Senoia Raceway Saturday night, April 2nd. Mike was running a respectable second before a huge crowd of race fans—in the Wheelers Automotive & Transmission Late Model feature—when the leader, Oliver Gentry, fell out of the race with mechanical issues. From there, the “Headman” motored to victory!

Not trying to give Mike’s age away—but he has been winning races at this track for over

thirty years! Mike earned the track championship at Senoia in 1984 as he scored 17 wins in a single season!

In his post race interview, Mike mentioned a few drivers of the past—for example Leon Archer, Roscoe Smith, and Charlie Bagwell—as he spoke about the remarkable history of this well-established speedway. He then went on to say, “This win is for the guys who made this place what it is.”

Well Mike, for me personally, and I am sure

for many other race fans, we have watched you race—and win—for years now. You are one of our favorite heroes of the sport—and you are definitely one of “the guys who made this place”!

The Summit Racing Supplies Hobby Stock racers put on one heck of a show as the two front-runners—Scott Sherrer and Clifton Moran—had trouble early and were forced to restart the race in the rear. Race fans in attendance watched as both drivers made an impressive drive through the field to eventually race each other hard for the win. Scott Sherrer prevailed with Moran finishing second in this incredible race.

In other racing action; Russ Ogletree grabbed the win for the Crown Security Crate Late Models; Brand Lewis finished first in the Newnan Bonding B-Cadet feature; and Matt Black won in the Mini-Stock division.
