

HYDRO FEST: GUNTERSVILLE, AL

Watching any sports on TV is exciting; but seeing it in person is more exciting! Besides, you can watch what you want. In person it is much more than TV, the sounds and seeing those rooster tails is just awesome! The annual Guntersville Lake HydroFest was held June 25-26, 2022

When those boats kick up rooster tails they seem to be almost endless.. No other

sport thrills this way. The competition is so personal that you will holler at the drivers right along with the announcer. even though they can't hear you.

Seeing those drivers battle it out is like no other sport, plus the announcer does a great job with lots of info on the drivers as well as their boats which adds to the excitement.

The H 1s are the fastest, but all classes are fast. The grand Prix class is the second largest class. Each class of boats bring their own form of excitement.

The Pro-Lites can zip in and out of each other's rooster tail and disappear in them

only to reappear in the blink of an eye later on around the circuit! Watching the drivers battle it out is like no other sport. So if given the chance to see this kind of sport take it.
