

Retrospect Atlanta

Atlanta, now is the high banked race track. New pavement and higher banks make the racing awesome. Two races are back. In 2023 the March race saw Ford's dominance. There was 13 different leaders and 20 lead changes.

Joey Logano won his 32nd career win after passing Christopher Bell on the last lap and Brad Kelsowski took second. And the July race, William Byron won the rain, shortend trace by passing AJ Allmendinger.

Atlanta 2024 has its first race on February 25th and the second will start the chase September 8th.
