

Retrospect Watkins Glen

August 20, 2023 cup race was the fastest race and won by first time William Byron. It was Hendrix fifth straight win on the road courses. Two wins each by Elliot and Larson.

Dawsonville Chase Elliott ran out of fuel on lap 36 ruining his chances for a win. Danny Hamlin finished second followed by Christopher Bell.

Watkins Glen is an awesome road course. It was repaved in 2016 after Joey Logano won. It's a must race to attend but tickets and camping go fast. The 2024 race weekend changed from August to September 15 a week after the high banks of Atlanta opening playoff race.
